NO PERMIT

CONDITIONS FOR USE OF PARKING LOTS FOR FILMINGS, PHOTOSHOOTS, AND BASECAMPS IN THE CITY OF SANTA MONICA

****These conditions only apply to production companies approved to use City-owned lots and do not imply permission to use any City lot****

1. Available Lots:
    a. The ONLY lots available for rental are Beach Lots 4 and 5 South, and Beach Lots 1 North through 8 North. There are no exceptions. Requested parking lot(s) must be clearly stated in the base camp/crew parking portion of your Film LA. permit. Applying for a Film L.A permit does not guarantee use of the parking lots. The City of Santa Monica Parking Department has final authorization regarding use of the parking lots. A parking application must be submitted to the Parking Department in addition to the submittal of the Film L.A permit.

2. Space Availability:
    a. The amount of spaces available for purchase can vary depending on the time of year. As a starting point, no production company may rent out more than half the available spaces of any lot. During certain times of the year (i.e. spring break, summer, any other special events, etc.), additional restrictions will apply regarding space availability, if any.

3. Restrictions:
    a. The production company can only use the spaces that have been purchased and reserved for them.
    b. Parking must be finalized no later than 72 business hours before the production date. There will be no adding of spaces after that time or on the day of filming.
    c. The RESERVED area will be set up the night before by the parking operator, usually at 10pm. There is no guarantee that there will be not be any vehicles already parked in the RESERVED area by the shoot date. It is the production company's responsibility to ensure no other vehicles park in the RESERVED area upon possession of the space. The City merely sells the spaces and sections it off.
    d. At no time can the production company extend the basecamp or deny transient parkers access to the parking lot.

4. Basecamps/Reserved Parking:
    a. Production companies must park all vehicles and materials/equipment within their RESERVED event space. Any vehicles parked outside the event space will need to show proof of payment of the Daily parking rate for that individual vehicle or become subject to citation.

NOT A PERMIT

b. Depending on the size and location of the RESERVED area, production companies may be required to pay for any parking spaces used to divert traffic around the RESERVED area. This is to prevent traffic from driving through the RESERVED area and to keep the traffic flowing smoothly within the lot. These spaces are also procured at the RESERVED rate of 3x the Daily rate.

5. Unreserved Parking:
   a. Production companies may purchase UNRESERVED parking for vehicles they wish to park outside their event space. The UNRESERVED parking is the Daily rate of the lot for that specific date and will allow the parker to stay past sunset.
   b. UNRESERVED parking is for the parking of vehicles ONLY. The production company may not use UNRESERVED parking for setting up any basecamp activities such as tents, chairs, wardrobe, generators, storing of materials, etc.
   c. The purchase of UNRESERVED permits requires the production company to pick up the permits from the City parking office, however, payment is still made directly to Film LA.
   d. The UNRESERVED parking permit must be displayed in the vehicle upon entering the lot and must be displayed in the vehicle at all times. Failure to display the permit is subject to citation. UNRESERVED parking is on a first-come, first-serve basis and does not guarantee a parking space in the lot.

6. Pay-Upon-Entry:
   a. Production companies also have the option to Pay-upon-entry at any City facility. This is only for productions that do not need any basecamp or RESERVED parking.
   b. Paying-upon-entry is for productions that wish to have all their vehicles pay at the cashier booth or pay machine upon entering the lot on the day of production.
   c. Production companies are prohibited from purchasing extra spaces to set up any basecamp activity. Paying-upon-entry is simply parking a vehicle and then leaving the lot.
   d. Production companies may inquire with the City of Santa Monica to confirm which City facilities are available for Pay-upon-entry.

7. Cancellation Policy:
   a. Cancellations for RESERVED parking and UNRESERVED parking must be made more than 48 business hours of production date. Cancellations made within this time period will be honored at no cost to the production company.
   b. Cancellations for RESERVED parking and UNRESERVED parking made within 48 business hours will not be honored. NO refunds will be given.
   c. Cancellations for Pay-upon-entry requires no notification as no parking fees are associated with the Film LA permit.
